## IMPORTANT NOTES

- Uniforms polos will arrive August 1st. A plan for uniform distribution will be sent soon.
- The referral program is ongoing! Do you know any families who might want to send their PK-5th grade children to Romero Academy at Resurrection? You can receive up to [\\$50 in Visa cash](#) cards for each student you refer.
- Masks will be required for all students and adults in the building
  - Masks should be large enough to cover nose and mouth
  - If your child has a mask they have been using and are comfortable with, please plan on sending them to school with the mask of their preference (A comfortable mask is most likely to be worn!).
  - We will have disposable masks on hand if needed
  - We will have reusable cloth masks available for purchase (for a reasonable price)

## EXCITING UPDATES

- Our new Pre-K room was the first room to receive new furniture and equipment this week. Stay tuned to our social media pages for more pictures!
- New K-5 furniture is set to be delivered July 30th!
- All of the classroom spaces are being wired for heavy duty window mounted air conditioning units.
  - This will help keep classrooms comfortable--so students are ready to learn!

## TIPS FOR GREAT PARENT-SCHOOL COMMUNICATION

The start of the school year is approaching quickly! We are very excited to open our doors and welcome our students to the newly renovated Romero Academy at Resurrection.

We believe that parents are the first educators of their children, and that good, two-way communication between faculty and parents is necessary to ensure students are better equipped to achieve.

Here are a few tips to improve and strengthen our communication:

- **Respond to school requests within 72 hours.** Many requests from school are time-sensitive.
- **Attend in-person or online events, including parent-teacher conferences.**
- **Check your child's planner and folder daily.** Students will receive planners on the first day of school
- **Use Gradelink Parent Portal to review student activity and communicate with teacher.** Gradelink is our new Student Information System and **it replaces Option C.** Keep an eye out for more information on how download the app and set up your account.
- **Call or text the school's number 513-461-2044 with any questions or concerns you may have.**
- **Schedule a time to take a tour of the school!** Once construction is complete, call us and set up a time to take a tour of the building.
