If you are worried about your scholar being cold inside the classroom/building, they may wear a plain black, gray, or royal blue sweatshirt or sweater. Black, gray or royal blue long-sleeved shirts under polos are also permitted. No hooded sweatshirts will be permitted to be worn inside the classrooms.
- We are continuing the partnership with the [Literacy Network of Greater Cincinnati](#)
  - Next week the Literacy Network team will be donating books and a small lending library for our school community! We are excited for this partnership and the opportunity to get more books into the hands of our scholars!

## MEET THE SETON TEACHING FELLOWS

The daily mission of Seton Teaching Fellows is to bring Christ to their students through the call of the New Evangelization. Together, the fellows impact the academic and faith development of children—preparing them for college and heaven by supporting Seton network schools. Three pillars drive the program: faith, community, and education. Romero Academy at Resurrection is blessed to have four Fellows with us this year!
